in the fertility and cosmetics industries women s body products such as urine eggs and placentas have moved from being seen as waste to becoming valuable ingredients taking a sociological and anthropological perspective the author focuses in particular on the role that countries like denmark spain the netherlands and japan play in the reproductive products industry and discusses the moral limits of the cultural and rhetorical trajectories that turn women s body

products into internationally mobile substances

the first fertility boosting guide to feature the cutting edge research results on fertility from the nurses health study more than 6 million women in the united states alone experience infertility problems user friendly medically approved advice clearly explained in 10 nutritional guidelines from two of harvard medical school s top voices in nutrition

this is a religious book prepared specially for christians so as to appreciate the relationship between money and spirituality it is a personal finance book covering all the tenets of managing money god has blessed you in a godly money the overriding aim is to help someone not to worship money but the true and living god the book will immensely help you to master money as designed by god as you read this book open your heart to the leading of the lord god so that at the end of it all his name will be honored and glorified about two thirds of jesus parables deal with money or material possessions over 2300 biblical passages refer to money or material possessions there are only about 500 on prayer and less than 500 on the subject of faith surely if god gives it this much emphasis we need to take the subject seriously finances are a spiritual battleground money is the god of the world it is everywhere worshipped the love of money is the controlling factor in most lives money is deceitful it is a lying lord whom the world serves you cannot serve god and money for money is the image of a rival god we need to be wise about money yes use money do not avoid it do not evade it and do not pretend it is beneath you that is unspiritual on the other hand do not make it your god my primary aim being to offer you dear readers new ideas new ways of looking at the subject of money this book will not teach you any specific formula instead it will teach you how to learn and what to learn

fully illustrated this comprehensive guide provides answers to any and all women s health questions packed with information on dozens of vital issues this volume is the best and only book women need to understand and cope with all aspects of body care photographs and line drawings

are you struggling with fertility issues and feeling overwhelmed by the myths and misconceptions surrounding conception look no further than debunking preconception myths separating fact from fiction this short read book is your ultimate guide to separating fact from fiction when it comes to fertility in this book you will find a comprehensive table of contents that covers all the common myths surrounding fertility from the belief that age doesn t affect fertility

to the misconception that infertility is always a woman's issue each myth is thoroughly debunked and dissected submyths are also addressed within each main myth providing a deeper understanding of the topic for example within the myth that infertility is always a woman's issue the submyth that men don't experience age related infertility is explored by addressing these submyths the book ensures that no stone is left unturned in dispelling preconceived notions the book also tackles the misconception that conception is guaranteed during ovulation it delves into the submyth that timing is everything for conception and the submyth that infertility means the inability to conceive by providing evidence based information readers will gain a clearer understanding of the complexities of conception another myth that is debunked is the belief that stress is the main cause of infertility the book explores the submyth that relaxation guarantees conception and the submyth that infertility always causes psychological distress by addressing these submyths readers will gain a more nuanced understanding of the relationship between stress and fertility furthermore the book addresses the misconception that fertility treatments always lead to multiple births it delves into the submyth that in vitro fertilization ivf always results in multiple pregnancies and the submyth that natural conception is safer than fertility treatments by providing evidence based information readers will gain a clearer understanding of the risks and benefits associated with fertility treatments the book also tackles the myth that lifestyle choices don't affect fertility it explores the submyth that smoking doesn't affect fertility and the submyth that diet and exercise have no impact on fertility by providing evidence based information readers will gain a clearer understanding of the importance of making healthy lifestyle choices when trying to conceive additionally the book addresses the misconception that fertility declines after the age of 35 it delves into the submyth that women cannot conceive naturally after 35 and the submyth that assisted reproductive technologies are the only option after 35 by providing evidence based this title is a short read a short read is a type of book that is designed to be read in one quick sitting these no fluff books are perfect for people who want an overview about a subject in a short period of time table of contents debunking preconception myths separating fact from fiction myth 1 age doesn't affect fertility myth 2 infertility is always a woman's issue submyth 1 men don't experience age related infertility submyth 2 women are always to blame for infertility myth 3 conception is guaranteed during ovulation submyth 1 timing is everything for conception submyth 2 infertility means inability to conceive myth 4 stress is the main cause of infertility submyth 1 relaxation guarantees conception submyth 2 infertility always causes psychological distress myth 5 fertility treatments always lead to multiple births submyth 1 ivf always results in multiple pregnancies submyth 2 natural conception is safer than fertility treatments myth 6 lifestyle choices don't affect fertility submyth 1 smoking doesn't affect fertility submyth 2 diet and exercise have no impact on fertility myth 7 fertility declines after the age of 35 submyth 1 women cannot conceive naturally after 35 submyth 2 assisted

reproductive technologies are the only option after 35 myth 8 fertility can be restored through natural remedies submyth 1 herbal supplements can cure infertility submyth 2 alternative therapies guarantee fertility restoration myth 9 fertility testing is only for those with known issues submyth 1 fertility testing is invasive and expensive submyth 2 fertility testing is pointless without immediate plans for pregnancy myth 10 secondary infertility is rare submyth 1 having one child guarantees fertility submyth 2 secondary infertility is always psychological frequently asked questions have questions comments

real life solutions from the editors of health magazine

exodus is the heart of the hebrew bible the defining moment in israel s birth as a people the dramatic triumph of their god yahweh pharaoh moses aaron the hebrew slaves the plagues the red sea these larger than life characters and epoch making events capture the imagination of everyone from biblical scholars to movie makers however the meaning and significance the beauty and nuance of this captivating biblical book are lost unless we have a world class scripture scholar to open our eyes to its riches
